Dear parents and carers,

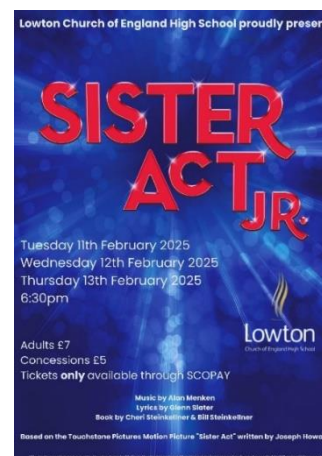

Seasonal Weather: Last week the cold and icy weather proved challenging to everyone. Our site team did an amazing job this week keeping the site safe, gritted and free of ice so that school could remain open.

Here is a reminder of our adverse weather protocols:

- We will send a text where we need to communicate a change to normal procedures.
- Check our website for any urgent announcements.
- Our intention will be to keep the school open where it is safe to do so.
- We will communicate any temporary changes in uniform directly to you as parents.

Our school show: Sister Act JR: We are excited this year's school show will take place over three nights from 11th February until 13th February at 6.30pm.

Together with Miss Benson (Head of Drama) and Mr Whitfield (Head of Music), the cast have put in a huge amount of work after school for months to put on the show. Tickets will be available from Monday 20th January via SCOPAY account. We anticipate that the show will sell out quickly, so please book your seat!
